## From Our Pastor

### “Conversations that Count; Invitations that Matter”

Consider using these questions as you seek to develop relationships with people. Meaningful relationships provide a meaningful context to share your faith.

#### Questions that Count:

- What was the best/worst part of your week?
- What has been on your mind most recently?
- When was the happiest time in your life?
- What are you good at?
- What are your dreams for the future?
- If money were not an issue and you could do anything you wanted, what would you do/why?
- What were you like as a child? Do you think you are different now? In what ways?
- What is your best childhood memory?

All above material taken from Jesus Among Secular Gods workbook, Ravi Zacharias and Vince Vitale, LifeWay Press, 2017
